INTRODUCTION

“Do not train a child to learn by force or harshness; but direct them to it by what amuses their minds, so that you may be better able to discover with accuracy the peculiar bent of the genius of each.”— [Plato](#)

NON-DISCRIMINATION STATEMENT

The mission of Excel Jr. Academy is to provide a quality preschool education for 2, 3, 4, 5 and 6 year old children, no matter their social, racial, ethnic, or religious backgrounds.

MISSION STATEMENT

Excel Jr. Academy~ Students of Excel Jr. Academy will engage in a safe, small, learning environment, while enrichment and real life opportunities will allow for students to broaden their educational foundations.

PHILOSOPHY – JENNIFER WISTISEN

I believe that each child is a unique individual who needs a secure, caring, and stimulating atmosphere in which to grow and mature emotionally, intellectually, physically, and socially. It is my desire as the founder, to help students meet their fullest potential in all areas by providing an environment that is safe, supports risk-taking, and invites a sharing of ideas. There are elements that I believe are conducive to establishing such an environment, (1) allowing the child's natural curiosity to direct his/her learning, and (2) promoting respect for all things and all people.

The role of the classroom teacher is to guide, providing access to information rather than acting as the primary source of information, the students' search for knowledge is met as they learn to find answers to their questions. For students to construct knowledge, they need the opportunity to discover for themselves and practice skills in authentic situations. Providing students' access to hands-on activities and allowing adequate time and space to use materials that reinforce the lesson being studied creates an opportunity for individual discovery and construction of knowledge to occur.

Equally important to self-discovery is having the opportunity to study things that are meaningful and relevant to one's life and interests. One way to take learning in a direction relevant to student interest is to invite student dialogue about the lessons and units of study. Given the opportunity for input, students generate ideas and set goals that make for much richer activities than I could have created or imagined myself. When students have ownership in the curriculum, they are motivated to work hard and master the skills necessary to reach their goals. These opportunities will be addressed through enrichment.

When the voice of each student is heard, and environment evolves where students feel free to express themselves. Class meetings are one way to encourage such dialogue. I believe children have greater respect for their teachers, their peers, and the lessons presented when they feel safe and sure of what is expected of them. In setting fair and consistent rules initially and stating the importance of every activity, students are shown respect for their presence and time. In turn they learn to respect themselves, others, and their environment.

For me, teaching provides an opportunity for continual learning and growth. One of my hopes as the founder is to ensure that a love of learning is instilled in all of our students. I feel there is a need for compassionate, strong, and dedicated individuals who are excited about working with children. In our competitive society it is important for students to not only receive a solid education, but to work with someone who is aware of and sensitive to their individual needs.

EMERGENCY PROCEDURES

Blizzard

If a blizzard occurs during school hours, students will be kept indoors. Parents may pick up students when conditions are appropriate. If students are at an enrichment activity or field trip setting, they will remain indoors to ensure safety.

Earthquake/Tornado or Other Severe Weather and Flood

The Excel Jr. Academy Educator will follow DFS mandated earthquake, tornado, flood, or other severe weather emergency preparedness plan.

Fire

In the incident of a fire at Excel Jr. Academy, students and staff will follow posted fire evacuation plans. 9-1-1 will be called immediately. Students will remain at designated safe spot at the south end of the parking lot. Parents will be notified immediately of the current situation.

Intruder/dangerous person (LOCKDOWN)

Educator will make sure that they are inside of the building. Doors to the facility will be locked. Windows and window coverings will be closed. Students will be taken to a location away from doors and windows. The Educator will have a cell phone to make sure immediate communication with law enforcement is available.

If the Natrona County School District #1 is in a lockdown, Excel Jr. Academy will also take the same precautions. Should a lockdown be in affect when school hours are over, students will be released on a case by case basis.

Parents WILL NOT be called while the lockdown is active. Calling families would take away from the safety of the students.

REUNIFICATION/RELOCATION

All Excel Academy students will meet at Washington Park in the incident of a fire or disaster that no longer allows occupancy of the school building. Parents will be contacted and require to pick up all enrolled students as soon as possible.

APPLICATION AND REGISTRATION

Excel Jr. Academy's admission policies are non-discriminatory and non-sectarian. Due to the limited space in Excel Jr. Academy all families must submit an Intent to Enroll form for their child(ren) to attend the school. Intent to Enroll forms are reviewed by a screening committee before acceptance.

Acceptance by the Excel Jr. Academy means that your student is identified as someone who will fit the circumstances and conditions of the academy's environment. Families must also show their willingness to help the Educator to be successful in areas with your student(s).

A letter, email or phone call will be prepared to applicant families to notify if the child(ren) have been accepted.

Entering students will need to provide medical and emergency forms and shot records by August 15, 2019, for first semester. If a student begins after the first day of school, they MUST turn in ALL records before starting class.

These scholarships are NOT available after April 15th. This date is prior to the start date of each academic school year.

*ACE Scholarships are for FULL DAY Jr. Academy students only.

LATE PAYMENT INVOICES/DELINQUENT ACCOUNTS

Monthly tuitions are due BEFORE the fifth day of each month. (Limited exceptions will be made for auto withdraw on the 20th of the month.) A \$25.00 late fee will be assessed on the 6th of the month, should fees go unpaid. Should an auto withdraw payment not clear, a \$30.00 fee will be additionally assessed. The payment will re-submitted immediately for a second auto withdraw opportunity. If at this time the payment does not clear for a second time, an additional \$30.00 will be assessed. Once two auto withdraw payments do NOT clear during an academic year, ONLY cash will be accepted to bring the account into good standing. Cash will be the only form of payment accepted for the remainder of the academic year.

If a non-sufficient funds check is written to Excel Academy, fees will be assessed in the amount of \$30.00. From that time forward, only CASH will be accepted.

Should a student have a delinquent account balance, they may not charge hot lunches to the account until it is brought up to good standing.

Delinquent accounts with a balance of \$50.00 or more, will receive a phone call and an email on the 15th day. On the 30th day, another phone call and email will be attempted. At this time Excel holds the right to withdraw the invoice balance from the credit card on file, automatic withdraw on file, or pull monies from the \$200.00 security deposit. On day 45 all enrolled

students of Excel Academy tied to the delinquent account will no longer be allowed to attend academic instruction. The account will need to be paid in full before a student(s), will be allowed to begin receiving academic instruction again.

*Excel Academy does reserve the right to fill the spot of students being release due to delinquent accounts. Excel Academy will not be held accountable for saving or reserving spots for students release due to delinquent accounts.

Should an account go unpaid a second time, immediate removal of the student(s) will take place. Re-enrollment at Excel Jr. Academy will no longer be an option, unless an up front payment in full is received, before any academic instruction begins.

Invoices are considered 'delinquent' when the FULL invoice balance was not paid by the expected due date. Any and all partial payments will still hold a 'delinquent' status, until the balance is paid. Delinquent accounts may be assessed interest at the highest rate allowed by law.

*All accounts turned over to collections will be assessed a 25% collection fee. This will be on the entire balance due. (ie. Balance due \$200.00 x 25% fee=\$50.00; final amount sent to collections \$200.00+\$50.00=\$250.00)

WHEN YOUR CHILD(REN) ARE SICK OR INJURED

It can be a frustrating experience deciding when a child is too sick to attend their daily school. The following guidelines should help in deciding whether to keep your child home. These guidelines are for the benefit of everyone at the school including your own child(ren).

1. The illness prevents the child from participating comfortably in classroom activities.
2. The illness produces a greater care need than the staff can provide without reducing the health and safety of the other children. Keeping sick children home prevents illness from spreading to the staff and other children.

Please note that a child who has been ill cannot return to the school until 24 hours after treatment. Your child is not well enough to attend school if:

1. **TEMPERATURE:** An oral temperature of 101 degrees or an axillary (armpit) temperature of 100 degrees or greater accompanied by behavior changes or other signs or symptoms of illness.
2. **SYMPTOMS** and signs of possible severe illness such as **LETHARGY** uncontrolled **COUGHING, IRRITABILITY**, persistent **CRYING**, difficulty **BREATHING, WHEEZING**, or other unusual signs.
3. **GREEN OR YELLOW MUCOUS** combined with other symptoms of illness.
4. **DIARRHEA:** Two or more episodes of diarrhea in the previous 24 hours.
5. **VOMITING ILLNESS:** Two or more episodes of vomiting in the previous 24 hours.

Children will not be allowed in school until 24 hours after treatment of any of the following:

1. **MOUTH SORES WITH DROOLING** until a health care provider determines that these symptoms do not indicate a communicable disease.
2. **RASH WITH FEVER OR BEHAVIOR CHANGE** until a health care provider determines that these symptoms do not indicate a communicable disease.
3. **PURULENT CONJUNCTIVITIS** defined as pink or red conjunctiva with white or yellow eye discharge until 24 hours after treatment has been initiated.
4. **SCABIES, HEAD LICE, OR OTHER INFESTATION** until 24 hours after treatment has been initiated.
5. **IMPETIGO** until 24 hours after treatment has been initiated.
6. **STREP THROAT OR OTHER STREPTOCOCCAL INFECTION** until 24 hours after initial antibiotic treatment and cessation of fever.
7. **CHICKEN POX** until 6 days after the onset of rash or until all sores have dried and crusted.
8. **HEAD LICE** student may return to class when there are NO visible louse/lice on the scalp.

Your child will be sent home if any symptoms of illness appear during the day. In such cases your child will immediately be isolated from the other children and you will be contacted and asked to pick the child up within one hour.

ACCIDENT POLICY

If your child suffers and injury while at school, the date, time, and all pertinent information about the injury are logged in our "injury book." Appropriate actions will be taken regarding each injury. If it is a severe injury you will be notified immediately. ALL Excel Jr. Academy staff members are First Aid and CPR certified.

MEDICATION POLICY

Excel Jr. Academy follows all DFS rules and regulations regarding the administration of medications to children.

Medication Procedure

If your child must take medication during the school hours of operation please provide the center with the following:

1. A completed and signed Medication Form, these may be obtained in the Excel Office with the Office Administrator.
2. The **original** medicine container showing dosage, time of dosage, expiration date, etc. *Expired meds will be sent home. It will be the responsibility of each individual family to immediately provide new meds with a valid expiration date.
3. DO NOT put any medication in your child's lunch box, unless discussed with an educational instructor. (THIS INCLUDES VITAMINS!) Please hand the medication and Medication Form to the Educational Instructor on duty upon arrival. The Educational Instructor will bring ALL medication and notes to a designated classroom location/office where medication will be kept and administered at the proper time.
4. Be sure to remind Educational Instructor to retrieve your child's medication from the educational center upon dismissal.
5. Essential oils may be applied with a written note. Please provide instructions for application.

DISCIPLINE POLICY

Excel Jr. Academy does not condone any physical discipline which will harm the child nor does the school use rejection, terrorizing, isolating or ignoring any child. The behavior of the child may be ignored, but not the child.

Discipline Procedure

Most small indiscretions will be handled by a daily respect session (only as needed). A child who hits or threatens to harm other children is encouraged to talk to the other child about why they were upset with them, stressing the idea that we should work out our problems by talking to one another. Recess roughness may result in children being asked to sit down and watch.

In extreme cases, where children are very uncooperative or aggressive, the parents will be contacted. A meeting will be set up between the teacher, child, and parent. Cooperative goals between the home and school are set up. A follow up meeting is then arranged after the child has been given the chance to change his/her behavior.

Each step outlined represents a more serious response to the child's behavior. Depending on the nature of the problem and the child's history in the school each incremental step decision can vary in order to achieve what is determined to be in the best interest of the child, the rest of the students, and Excel Jr. Academy.

1. The teacher will deal with the misbehavior in the classroom using natural and logical consequences. The parents will be informed that a problem is occurring and what corrective measures are being applied.
2. If the misbehavior continues the teacher will hold a meeting and seek suggestions. The plan developed will be implemented in the classroom.
3. Parents will have knowledge of any behavior plan/modifications being used in the school that pertains to their child. If for some reason the behavior continues, the parents will be called for a conference and informed of the current situation and the corrective steps taken. A plan will be agreed upon for dealing with the continued misbehavior and a timetable set for evaluation of the plan. It is necessary to have the cooperation and support of the parents in developing consistent expectations of behavior.
4. Depending upon the type of misbehavior and its effect on the other children in the class it may be necessary for the child to temporarily remove from the classroom. In this case the parents must agree to pick up the child during the school day.
5. If the misbehavior continues, outside professional help may be recommended. Financial responsibility for outside professional services is the parent's obligation. Excel Jr. Academy does not recommend specific professionals. It is the parent's responsibility to choose the professional, keeping in mind that it is important that the child, family, and school are all able to work with whoever is chosen.
6. In extreme cases, the teacher reserves the right to permanently remove a student from attending Excel Jr. Academy. Parents will be notified via written documentation of this

decision. Upon receiving the written documentation, parents will need to make arrangements with the teacher to gather ALL personal belongings and educational materials issued to the student. Excel Jr. Academy will not refund any monies if a dismissal of this fashion is necessary.

WEAPONS~HARASSMENT~DRUG POLICY
