December 9, 2021

Current Excel Academy Families,

The staff of Excel Academy is already planning for the 2022-2023 academic year. We would like to let you know what we have in store.

We will continue to offer a 2/3 class, a Jr. Academy (3-6yrs) class, and our K-12 program. The 2/3 classes are held to a max of 8 students with one educator, and MUST have at least 6 students to hold a class. Our Jr. Academy will max at 20 students in the a.m. and p.m. sections. Our Jr. Academy will have 2 full time educators (IF NUMBERS ALLOW). Our K-12 program will max at 42 students. We will have at least 5 full time educators and additional part time educators. We will additionally have our Staff and Student Development Director for students in the K-12 needing specialized instruction.

Excel Academy will continue to partner with The Child Development Center for students on IEP's in the 2/3 class and in Jr. Academy. K-12 students with service plans in the area of speech/language, social emotional, occupational therapy, hearing, and vision will have the opportunity to partner with staff from the Natrona County Special Education Department. (These services are for qualifying students only.)

Attached you will find the Intent to Re-Enroll form. EVERY, current Excel student has a SPOT for the 2022-2023 academic year. Staff and siblings have preference over anyone on our wait lists! We would LOVE to have your quick response in returning these forms. This will ensure we give our current students proper placement. **PLEASE RETURN COMPLETED FORMS BY THE 5th of JAN, 2022.** Jan 5th at 8:00a, WE WILL OPEN ANY AVAILABLE SPOTS TO THE PUBLIC.

Our public open house will be held on Jan. 5th from 5:45p-7:00p. We would like to extend an invitation to all current families. It is always nice to have current families available to share experiences with potential new students.

As always, we at Excel strive to deliver the best possible opportunities for the students that we have. Each and every year, we look for new and exciting adventures to enrich the minds of our amazing students.
